

2016-2017 School Supplies

Design-Lab High will provide a planner, sketchbook, and combination lock free-of-charge to all students.

Families are responsible for purchasing the following supplies:

1 mechanical pencil (with .07 mm leads) or No. 2 pencils with a sharpener

1 set colored pencils or non-permanent ink markers (permanent markers are not permitted)

Large pink or kneaded eraser

PaperMate Flair markers (black, medium point)

Ballpoint pens (Get a couple with red ink also)

Spiral-bound or composition notebooks (preferably with graph paper or dot-grid)

Loose-leaf notebook paper graph paper, dot-grid, blank and/or college-ruled

Ruler with English and metric measurements

Pad of tracing paper

Glue stick

Small bottle of white glue or rubber cement

Scotch tape

Stapler (Best is a mini stapler, which is easily portable, for last minute stapling emergencies.)

Scissors

Triangles and straight-edge

Water-based colored markers

4 three-ring binders

Binder dividers (The kinds with pockets are good for loose papers.)

Three-hole punch (a regular one or one that fits in a three-ring binder)

Pencil and tool case

Pocket folders that fit in binders

Calendar for recording assignments in the school planner (provided free-of-charge by the school)

A sturdy backpack

Index cards, ruled and un-ruled (These are great for making flash cards.)

Highlighters

Calculator or mobile phone with calculator. (A classroom set of calculators is available for in-school use in the math classes. Check with the math teacher first before investing in an expensive calculator.)

Stainless steel water bottle (Avoid plastic bottles that contain bisphenol A, a hormone-disrupting chemical linked to heart disease, diabetes, obesity, asthma, birth defects and cancer.)

Flashdrive for digital presentations
