

## STUDENT UNIFORMS POLICY – 2016-2017

Wearing the Design-Lab uniform sets a professional environment for learning. Design-Lab's dress code is based on common sense, comfort, and respect for self and others. The expectation is that all clothing be modest, neat, clean, in good repair, and fit properly. All Design-Lab students are expected to wear the school uniform when in school and on field trips. Non-logo overgarments (hoodies, jackets, sweaters, vests, coats, scarves, etc.) may not cover the Design-Lab logo top while in school. Students are not permitted to wear hats, caps, or knit beanie caps in the school building.

Student Ambassadors are expected to wear the uniform when representing the school. Only school administrators may approve adaptations to the school uniform, from time to time, and for specific purposes.

### Uniform Dress Code
